Volume XXVII Hartnell College, Salinas, Calif., Friday, Feb. 28, 1958 Number 14

Hartnell's Foreign Language Staff Includes Teachers From Other Lands

By DEMETRIA DA-ATON

The foreign language department of Hartnell college is composed of three instructors, Mr. Henry Cassady, who teaches German; Mr. Emil Ramos, who teaches Spanish, and Mr. Louis Eris, who teaches French.

Kunhart Resigns; PhD Is Desired

The resignation of Mr. William Kunhart will be effective in June, so he may take a position in the Los Angeles area while completing research and residence requirements for his doctorate degree in psychology from University of California at Los Angeles.

He hopes to complete his work for the degree in two years. During this time he expects to teach in a college while doing research and taking a few classes at UCLA. He will do summer research at the campus.

Mr. Kunhart has been a counselor and English teacher at Hartnell for the past three years.

Candidates Sought For College Board

Candidates for two posts on the Hartnell college board of trustees must file their declarations of candidacy with the county superintendent of schools by April 18, according to an announcement from the superintendent's office.

Terms of Dave Wynne, former president of the board, and Dr. Bard Daughters, the other Salinas representative, will expire June 30. Either member may seek re-election on the May 20 balloting. Terms are for three years.

Dr. Daughters was appointed to the board last fall to complete the term of Ted E. Nelson who resigned because of business responsibilities.

Soldier Singers Entertain Here

Talent from Fort Ord was presented to Hartnell students Friday in an assembly in the men's gymnasium.

The master of ceremonies was Dave Hammond who also sang "In Love Again." He was accompanied by Bob Rozario. Rozario played two selections, one a medley of "Tenderly" and "Autumn Leaves."

The Miller-Tones, a quartet, sang various songs ranging from a spiritual to a recent hit parade song. In their arrangement of "Summertime," John Storks sang the solo, and in "Hey, Little Girl," Melvin Westover did the soloing.

Mr. Cassady received his AB degree from the University of California and his master's degree from University of California at Los Angeles. Besides teaching German, he teaches English grammar and literature.

He has taught summer sessions at San Francisco State and UCLA.

Mr. Ramos Born in Spain

Mr. Ramos was born in Spain and came to the United States many years ago. He received his AB and MA degrees from the University of California. Besides teaching Spanish, he teaches English and phi-

(Continued on Page 2)

Rally for MPC Tilt Being Held Today

"Beat MPC" will be the theme of today's rally at 9 a.m. in the men's gymnasium.

A highlight of the rally will be the revealing of the violin virtuoso of an athlete. He will be revealed in a skit which will be presented by some of the basketball players. Ron Ross, Jim Mastin, Bob Flores, Ron Leonti and Phil Netto are the players.

A skit will also be presented for the blood drive. This skit is under the direction of Donna Ponting.

"Tabby" will put on a skit and help the yell leaders conduct the program. The pompon girls will do a few numbers, and Coach G. Ed Adams will say a few words concerning the team.

College Library Plans Checked by State Before May Bidding

Plans for the new library are now being reviewed by the state division of schoolhouse planning.

The bidding for the building will begin sometime in May, and the actual work will begin in June. The building should be completed in less than a year.

The area of the library will be 25,000 square feet, and the main reading room will seat 225 students. The reference room will accommodate 76 students, and the fiction browsing room will have room for 26 students.

The plans also include a typing area in a soundproof room and conference rooms for private student discussions. There will be 10 faculty offices besides a private library room for faculty members. The audio-visual department will include a room for faculty members to review films and a room in which to repair films.

Students Overhaul Cars

Mr. Paul Cothren, Hartnell A and M automotive mechanics instructor, assists two students, Julian Marceron and Akira Morimoto, as they work on engine of Mr. G. Darwin Peavy's car. The shop is looking for more engine work on four- and six-cylinder cars. (Monighetti photo)

Students Urged To Give Blood In Annual Drive

Donna Ponting, chairman of the annual Hartnell blood drive, urges as many students as possible to donate blood Monday. The drive is being held in conjunction with the March American Red Cross blood bank day.

According to Miss June Handley, dean of women, blood contributed by Hartnell students Monday will be credited to a special Hartnell credit club account from which Hartnell students may receive blood when they need it.

Anyone may donate blood if he has not contacted malaria. Single persons between the ages of 18 and 21 must obtain consent slips from the office and have them signed by a parent or guardian. Married students are not required to obtain consent.

Student transportation to the recreation center will be furnished by the college and the blood bank.

Pletschet Enrollment Published in Canada

Recent enrollment of John Pletschet, 65, as a Hartnell engineering student gave Hartnell college national and international mention, according to Mr. George Abbott, public relations director.

Publishers' Auxiliary, a national publication for newspaper publishers, carried the story one page one. Canadian newspapers used the story as did the Salinas Californian and the San Jose Mercury. KSBW-TV used a picture story of Pletschet's first day at Hartnell.

Set Work Under Way For March 16 Play

By JOYCE SCOTT

Work on the sets for the Hartnell college-community playhouse television production, "The Dancers," to be presented March 16, is nearing completion, according to Mr. Hal Ulrici, director.

The sets are constructed by students in the stagecraft class who start with raw materials and turn out finished products.

This production calls for five sets: a living room, a corner drug store, a library in a wealthy home, a living room in a modest home and an exterior street scene.

Must Fit Studio

The sets have been built to fit the Channel 8 studio. They are 10 feet wide and 15 feet deep. Three sets will be placed at one end of the 32-foot-wide studio and two sets at the other end. This limited area and the rapidly moving scene changes present a challenge to the cameramen.

Because of limited space these sets are semirealistic. Few properties will be used, but they will create.

(Continued on Page 3)

A&M Shop Needs Cars For Repair

The automotive mechanics shop of Hartnell A and M needs four and six-cylinder valve jobs for the beginning students, according to Mr. Paul Cothren, instructor.

The shop also needs brake repair work, either complete reconditioning or adjusting.

A complete valve job at the A and M will take about two weeks; however, car owners will have between \$22 and \$30 on a complete valve job. The owners pay for parts only on all A and M work.

The body and fender shop has sufficient work. The students are working on college vehicles.

Mr. Dennis Nelson, instructor in radio and television repair, needs small radios for repair.

Mr. Johnston Leads World Affairs Group, Students May Enroll

Mr. Robert Johnston, Hartnell's social science instructor, has been elected president of the Salinas chapter of the World Affairs council of northern California.

Dr. Howard Braverman, also a social science instructor, serves as a member program committee.

This organization, which has several Hartnell students as members, brings to Salinas prominent world personalities.

The council meets the fourth Tuesday of each month at Washington junior high school library. Hartnell students interested in international affairs are welcome to attend the meeting, according to Mr. Lorenz Newton, publicity chairman.

Graduates Must Apply

Hartnell students who plan to receive their associate of arts degree this June must file applications with their counselors before March 14.

After these applications are filed, Mr. Swanson, Dean of Admissions, will determine if the requirements are satisfied.

Business Students Will Get Awards

Two Hartnell college business students will be selected as winners of \$100 each in the Bank of America junior college business awards program, according to Mr. Claud Addison, business instructor.

Awards will be presented in the secretarial and business administration divisions.

The purpose of this program is to promote interest in industry as a career and to encourage business students to complete their junior college programs.

Terminal Students Favored

In order to qualify for this award the student must have a "B" average, a pleasing personality and leadership ability, and have completed 24 units of junior college.

(Continued on Page 2)

Dr. Ching Lauds Science Students

Dr. J. F. Ching, college president, commended 12 students from Dr. Howard Feder's Zoology 1A class in letters addressed to each of them for their scientific research papers.

Four of the students, Patricia Walter, Wiekio Hirahara, Lorene Dyer and George Mansfield, are non-science majors. Science majors include June Akiyoshi, Jane Yamaguchi, George Tindall, Jim Stephenson, Edmund Lee, John Nardone, John Mulkin and Ramona Insular.

The reports were read by the college board of trustees during its last meeting.

EDITORIAL:

Speed Can Be Fatal

Many of us at Hartnell have been personally affected this week by the death of Eddie King. It is too bad so many have to suffer and someone with so much potential has to be lost just because speed seemed so important. It is not, really. Let us all drive safely and save pain for ourselves and our loved ones and friends.

SUPPORT THE TEAM

Tomorrow night is our last basketball game of the season. Was there any special reason that no rallies were presented during that sport's season or is basketball just not considered important enough? It is probable that some people were just a little lazy. Well, as long as it has been done, let's all get out and support our team as they SMASH MONTE-REY!

GET OFF IT, BUDDY!

Coalinga college recently ran into some difficulty in keeping its student lounge in a presentable fashion. One student came up with the reasons for the situation and had the nerve to publish his views in the college paper. We quote: "Some of our students live like pigs when elsewhere and do not know any better. Some of our students don't have enough initiative to get up off their rear ends and put trash in a waste can. Some of our students just don't have any initiative period."

(Ed. Note: The Hartnell student commission has been informed that the men's lounge in our student union looks like . . .)

BUSINESS . . .

(Continued From Page 1)

work. Preference is given to terminal students entering the business field.

Last year's winners were Norma Yappert, Watsonville, secretarial, and Walter Dodd, Salinas, business administration.

The deadline filing date for the contest is March 10. Any interested students should contact the business instructors.

Awards will be presented at a dinner in the St. Francis hotel in San Francisco on April 17. Certificates will be awarded at graduation.

Buck Up! Life's O.K.

By DEMETRIA DA-ATON

Despite the hue and cry you raise for Deo, the good old sun-god, it simply won't be sunny for some time. For the rains have come and whether you welcome them or not, the pitter-patter drops are here to dampen your spirits.

Ouch!

Two heavyweight boxers, chasing each other around the ring, kept treading on the toes of the small referee. At last, the referee lost patience and shouted: "If you guys don't stop treading on my corns, there's gonna be a real fight!"

Professor to Student: "You have concluded that suction is a pull rather than a push. Give an example."

Student: "Well, sir, all I can say is that the gum on my seat is pulling off my pants."

In the United States, a tale of woe must be short and snappy if it is to get listeners. An example from a contemporary source:

A judge noted for his gentleness to defendants asked the contrite and broken man before him, "Have you ever been sentenced to imprisonment?"

"No, your honor," said the prisoner, and burst into tears.

"There, there, don't cry," said the judge. "You're going to be now."

The job superintendent went out with the boys one evening and before he realized it, the morning had dawned. He hesitated to call his wife.

Finally, he hit upon an idea. Picking up the phone, he called home and when his wife answered, he shouted: "Don't pay the ransom, honey, I escaped."

Amyx Gives Talk

A demonstration of watercolor painting and color balance by Mr. Leon Amyx, Hartnell college art instructor, highlighted Thursday's meeting of the Salinas Junior Woman's club.

Campus Library Features Several Books On Travel

By

MISS CATHERINE CARPENTER

If you can't get away for a trip right now, do the next best thing and read one of the travel books to be found in the library.

Helen and Frank Schreider in "20,000 Miles South" tell of their adventures in traveling by amphibious jeep from Circle, Alaska, to the world's southernmost town in South America.

An entertaining account of an automobile trip through Africa is given in Margaret Ryan's "African Hayride."

Pierre Berton in "The Mysterious North" captures the elusive and haunting spirit of the far north country.

You can take a trip around the world by reading "Seven Wonders of the World," by Lowell Thomas. Or, if you are interested in seeing just Europe or the United States, look at the hundreds of colored photographs in Holiday magazine's "Europe in Color" or "U.S.A. in Color."

has two children, Mrs. Richard Johnson, 22, and Rene, 20. Both are Hartnell graduates.

Yearbook Goes On Sale Today; Prices \$1, \$1.50

The Hartnell college yearbook will go on sale today at \$1 for student body card holders and \$1.50 for those who do not have cards. The yearbooks will be on sale until the Easter vacation.

Claude Ponting, chairman of the committee in charge of co-ordinating sales, states that the yearbooks are being sold by eight teams, with three or four members to a team. Team captains who had been selected by press time were Kay Bourgerie, Janis Totten, Barbara Pedevilla, George Andrade and Darold Coelho.

The committee is planning to sell 600 yearbooks.

Students Work Fast Addressing Bulletins

Addressing of nearly 4,000 bulletins to business teachers was completed in record time recently by students of Mr. Lorenz Newton and Mr. James Stark.

Mr. Stark's shorthand class and Mr. Newton's typing class each spent two class periods addressing,

Dance Demonstration At San Francisco Attended by Coeds

Betty Eckerson, Charlotte Canada, Erica Rossi and Diane Collier, accompanied by Mrs. Jack Middaugh, participated in a dance demonstration given by Charles Weidman in San Francisco last week.

Weidman, who was here from New York as a guest of San Francisco City college, is one of the pioneers of American dances, according to Mrs. Middaugh.

Newton Writes Article For Business Forum

Mr. Lorenz Newton, Hartnell college business instructor, had an article in the January issue of the United Business Education Association Forum.

The title of Mr. Newton's article is "Developing Personality Traits in Business Classes." He discusses the dismissal of people from jobs because of personality deficiencies and suggests ways to improve students' personality traits.

sorting and tying the bulletins for California teachers and teachers of seven other western states.

Sophomore Class Pictures Taken For 1958 Annual

Sophomore group pictures for the yearbook were taken Wednesday, according to Mr. George Abbott, journalism advisor.

The yearbook staff, which consists of five members and two photographers, is taking pictures and working on layouts.

Mr. Abbott wishes to thank many students who offered to help with the yearbook on a part-time basis. They will be notified if their services are required.

Aslanian Chooses Madrigal Singers

Members of the Madrigal singers were chosen Tuesday, according to an announcement made by Vahe Aslanian, Hartnell's choir director.

Chosen were: sopranos, Nancy Fant and Judy Masson; altos, Joan Oftebro, Donna Ponting, Ruby Shitani and Carol Anne Stewart; tenors, Cruz Martinez and Bill Whitney; basses, Staten Johnson, Claude Ponting and Maynard Potter.

Erica Rossi Selected Packer Sweetheart

Erica Rossi, Hartnell's head yell leader, was recently notified by the Salinas Packer management that she has been selected as Packer Sweetheart for the coming season.

For being Packer Sweetheart she will be given a free vacation trip to either Las Vegas or Reno. Her duties include attending the banquets of the team, and taking publicity pictures with the team at its spring training camp in Fullerton.

Gym Gems Leading Noon Basketball Loop

The Gym Gem hoopsters, with a 9-1 records, lead in the intramural basketball loop. The Crips five, with 8-2-1, is in second spot. In third position are the Sweat Sox quintet with a 7-4 state.

SET WORK ...

(Continued From Page 1)
ate the mood of the scene.

The stagecrafters have used varied methods in decorating the walls of their sets. In one scene they used a feather duster which gives the illusion of marble, in another they have a splattered effect, in yet another they have stenciled a leaf design which gives the impression of wallpaper.

Students involved in the production of these sets are Lloyd Ebel, Salinas; Robert Smith, Watsonville; Jeannette Kirk, Santa Monica; Janice Baird, Aptos; Elizabeth Everton, Watsonville, and Patricia Kilfoyl, Santa Cruz.

Spring Sports Accompany Warm Weather Season

Warm weather and the swinging season are here. The spring swing of tennis, golf, track and baseball will be familiar sights from now until June.

Coaches of spring sports are Mr. Ken Blue, golf; Mr. G. Darwin Peavy, tennis; Mr. Jess Regli, baseball, and Mr. G. Ed Adams, track.

Walking the greens for the Panthers will be Dick Smith, Dan Hiura, Ron Leonti, Charlie Scow, John Ables, Al Harris, Gary Salostro, Fred Char and Jack Wilkinson.

Golf Positions Open

Smith and Hiura are battling for number one position while Leonti will fill the third spot and Scow will play at number four. The other positions are open to the remaining candidates.

Besides dual matches, the Panthers will play in the Coast conference tournament at East Contra Costa, and the intercollegiate tournament at Santa Cruz.

The tennis season will be a period of reconstruction after being league runner-up last year. All the members of last year's squad will be gone and the new material will require experience, according to Coach Peavy.

Coalinga First Tennis Foe

Coach Peavy's team will open the season against Coalinga March 14 and follow with Vallejo on March 15. The Panthers will participate in the league tournament later in the season.

Coach Jess Regli was greeted with about 30 prospects of whom four are returning lettermen. Back from last season are Bill Beretta, Dave

Castro and Aubrey Woods. Larry Menges, the other returning letterman, played in 1956.

Hartnell college's baseball and track schedules will be announced next week.

Students Attend Press Conference

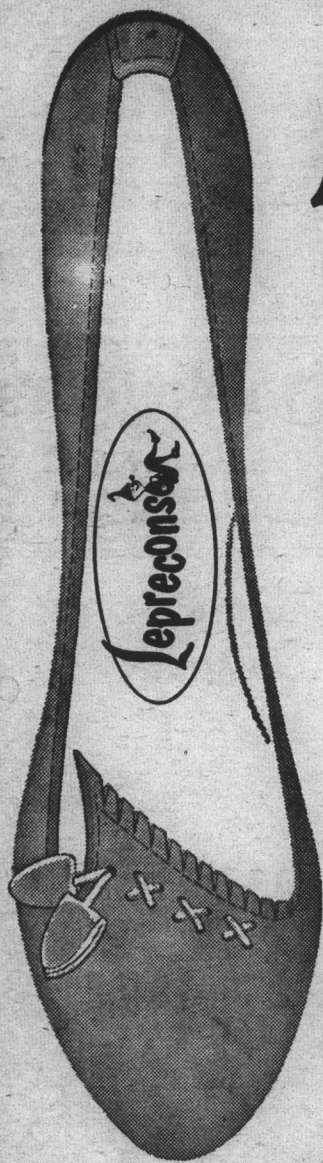

Four members of the Panther Sentinel staff are attending the California Journalism Association for Junior Colleges convention at Fresno State today and tomorrow.

Lynne Garcia, editor; Nancy Suurballe, associate editor; Wayne Umbertis, sports editor; Ralph Winter, former editor, and Mr. George Abbott, advisor, will make the trip.

The meeting is an annual event and includes speakers from various areas of the journalism profession. There will be discussions of the problems of junior college publications, and contests will be held in various fields of writing, photography and advertising.

Newman Club Speaker

William Marino, a local attorney, was the Newman club guest speaker recently. He spoke on ethics of the legal profession.

Tragedy Ends Eddie King's Track Career

WAYNE UMBERTIS • SPORTS EDITOR

Mastin To Try For 20 Point Average Tomorrow Night Against Monterey

Jim Mastin, high-scoring Hartnell college forward, needs 30 points in the season's finale against the Monterey Peninsula college Lobos Saturday night to bring his average for the season to 20 points per game. His current average is 19.8 on 536 points.

Sport Slants

By WAYNE UMBERTIS

The recent appointment of Richard Voris as head coach of the University of Virginia marks another step in the meteoric rise of one of the most promising young coaches in the profession.

Voris coached Hartnell to two undefeated seasons and a trip to the Junior Rose bowl. After a perfect season in 1953 he left Salinas to take over as line coach for the Los Angeles Rams. From the Rams, Voris went to West Point where he served as line coach. Army's success this year probably led to his new position.

If he enjoys his usual success, the future knows no bounds for this young wizard of the gridiron. One of his assistants will be Jim Anastasia, who assisted Voris here.

Teams Must Win

The old saying, "everybody likes a winner," has certainly proved its worth at Hartnell this year. Judging from the basketball crowds at Panther games this year, our student body has little patience with a loser.

Support is essential to intercollegiate teams and we think there were some red faces after the tremendous turnout MPC had when they played Hartnell in Salinas. Their cheerleaders were all here, along with a pep band and a big rooting section. Hartnell, the home team, was without cheerleaders until almost gametime and the fans were so few it looked like a city league game.

With spring sports here, maybe the sunshine will bring more students to the competitive games. Athletics are part of school activities and more interest should be created for support of our teams.

The family of Eddie King receives our deepest sympathy. He was destined for stardom in the track world, so the blow is not only to his parents but to all those who were concerned with his track future.

Basketball Team Chalks 2-2 Mark In Four Contests

The Hartnell basketball team chalked up a 2-2 mark during the past two weeks, bringing its season record to 13 wins against 14 losses.

Hosting the Menlo Oaks, the Hartnell team emerged victorious on Phil Netto's free throw, 55-54. The locals also edged the visitors at halftime, 26-25.

Jim Mastin scored 21 points. Teammates Bob Flores and Netto basketed 14 and 11. Don Bush, Ron Ross and Frank Padilla also scored.

Vikings Sink Harts

On the same hardwood the following night, the Panthers came through second best as a do-or-die East Contra Costa team downed the Panthers, 68-61. The Vikings led throughout the game. The halftime score was 39-32.

Mastin led the locals with 24 points. Flores scored 13 points, while Netto had 12. Teammates Bush, Padilla, Ross and Norm Steinbach were the other scorers.

In a Mastin-Netto led invasion at Santa Cruz, Hartnell crushed Moffett field in a practice tilt, 68-60. Hartnell was ahead 38-31 at halftime.

Mastin was game top scorer with 29 points. Netto contributed 18. Other Hartnell contributors included Steinbach, Flores, Ross, Padilla and Ron Leonti.

Vallejo Buries Panthers

Hosted by Vallejo in a league contest, the Salinas cagers fell into the conference basement by a 73-52 score as the Falcons took advantage of the visitors' repeated basket and free throw misses. Vallejo was ahead 36-23 at halftime.

Again Mastin led the locals with 21 points. Netto tallied 10, while Flores, Bush, Padilla, Ross and Leonti also scored.

Sports Car Crash Kills Star Runner, Three Other Young Men Injured

By WAYNE UMBERTIS

The brilliant career of Hartnell track star Eddie King came to a tragic end Sunday evening when the speeding sports car in which he was riding went off the Monterey highway into the Leguna Seca fence, killing King and injuring three other occupants of the car.

Runner Dies

The above picture was taken during one of the high spots of Eddie King's illustrious high school track career. (Photo courtesy Salinas Californian)

King was graduated from Salinas Union high school in 1955 after compiling an array of records. He was state champion in the 440 and for a short time held the U.S. prep record in the same event. He still holds several records at the local high school.

Upon graduation, King went into the army and served for more than two years. He was stationed in Italy for 17 months and won numerous track awards.

King's best time was a fast 47.8, which ranks high in the world's 440 performances. He had the potential to be come one of Hartnell's all-time greats.

Besides being a blow to his family and friends, it was a tragedy to those connected with his track career. Coach G. Ed Adams thought King would be a standout this year and was relying heavily on the Salinas speedster. His personality and ability were expected to inspire Hartnell to a possible state track and field championship.

Coed Cagers Invited

Hartnell college women have been invited to Santa Rosa junior college on March 7 and 8 to take part in the women's junior college basketball playoffs. The WAA basketball team will represent Hartnell.
